September 29th, 1919.

H. P. Casmmerer, Esq.,
Clerk to the Commission,
The National Commission of Fine Arts,
Washington, D. C.

Dear Sir:-

Because of the connection of the National Commission of Fine Arts with the victory medal and other badges of distinction which are to be worn by our returned soldiers, I am venturing to send you this invitation to associate yourself with The American Numismatic Society. We should be much encouraged in having you among our supporters, and I trust that we may have your favorable consideration of the membership card which I am enclosing.

Very respectfully yours,

President.
